IGSSS has distributed food and sanitation kit to 1424 households. People are motivated to call to counsellors for psychosocial support.

Around 410 People from all the 78 villages were vaccinated in the last 1 week.

Safe Mobility Vehicle for people to take to vaccination center has been started

IGSSS colleagues are constantly in touch with ASHA and Anganwadi workers for COVID related work in the villages.
BIHAR

1344 Ration kits, 1344 sanitation kits and 710 seeds kit were distributed as relief.
20 individuals sought psycho-social support. 25 follow up calls were made till date.

988 Food Kits and 1764 sanitation kits were distributed. 239 individuals were supported to enhance their livelihood option.

4 Sachetanata (Awareness) Ratha (Chariot) in three districts - Koraput, Kalahandi and Ganjam district of Odisha has covered around 150 villages making the community aware of COVID appropriate behaviour and vaccination.
NUTRITIOUS FOOD KIT HELPS
PARBATI...

"We have a good quality of nutritious food items, sufficient to manage our family of five people."
- Parbati Jani

Parbati Jani is a mother of three children, six months old twin sons and a daughter. She lives in the Goudaramji village of Koraput district, Odisha. Her elder daughter is suffering from Severely Acute Malnutrition.

As part of our COVID relief initiatives focussing on families with malnourished children, she received a food kit containing items that have a high nutrition value.

She is very happy that she got this food and sanitation kit in this critical time.
1012 Ration kits and 1012 Sanitation kits distributed in Rural Jharkhand as well as in cities like Ranchi and Jamshedpur. We supported around 36 HH to enhance their livelihood options.

Jharkhand IGSSS Team decided to promote Cloth Banners. But due to Lockdown, all the printing shops refused to print Cloth Banners. The State Team tried to find out Project Beneficiaries, who can draw and paint. Manoj Kumar, Project Beneficiary of Satat Shehar Project, resident of Mousi Bari Slum came forward. Due to Lockdown, he was unemployed. IGSSS gave him work to prepare 20 Cloth Banners across Jharkhand Projects. As a result, he will be earning Rs.10000/-.
2632 Ration kits and 2632 Sanitation kits were distributed. Around 36 individuals were supported to restart their livelihood.

Volunteers registered CBO members and other slum dwellers for vaccination and follow up till the vaccination is done.

The helpdesk and Psychosocial Support are activated in Raipur and Durg city.

Mobile Caravan with jingles are travelling across the rural and urban areas. Information about vaccination and COVID appropriate behaviour are shared.
A women’s help desk has been set up in the Bundelkhand region to provide psychosocial support in which free counselling is being given by a professional counsellor.

585 Food kits and 350 Hygiene Kits were distributed

Due to the massive awareness drive in Bundelkhand region, people are now slowly coming for vaccination.

Corona awareness Rath moved around Lavkush Nagar block, Chhatarpur District of Bundelkhand area. making people aware of Covid appropriate behaviour and vaccination through local Bundeli songs.

Rajkaur Rakwar of village Thana, Kabrai Block in Mahoba District is 55 years disabled old lady, extremely poor, who has no one to work in her house. The woman's husband works as a labourer but due to COVID, he has no work for a long time. They did not access any government help. IGSSS ration and the hygiene kit was given as Covid relief.
IGSSS team are conducting door-to-door inter-personal communication to motivate people for vaccination.

Psycho Social Counselling helpline number has been disseminated widely in rural and urban areas. So far 21 calls recived through the helpline number.

In Nagpur city positive cases dropped to 50-40 per day and death is low as 1-2 per day. All amenities are open till 5 pm around the week. The situation is same in Amravati, Wardha and Yavatmal as well.

Sharing of Helpline Number in Villages

The rural IGSSS team has diverted their regular nutrition counselling towards boosting the immunity for COVID 19 preparedness.

Team giving counselling to a women for wearing mask and doing vaccination.
The awareness campaign in Jhabua, Meghnagar and Rama block got completed last week and this week’s major focus was on the relief distribution to 1500 people. Along with the distribution, the team also sensitised the village people on the vaccination, Covid symptoms and diagnosis. In partnership with the PRIs and local SDMs, the team reached different households in all 15 villages and motivated them to register for a vaccination camp organised on 21st June as a state-level campaign. The effort also resulted in motivating results and hundreds of people in different villages enrolled themselves for the vaccination camp and received their first dose.
2517 Ration Kits and 2671 Sanitation kits are distributed to 353 households. Nutrition Security is ensured through the distribution of seeds for vegetable gardens.

Meeting with families in need of livelihood restoration.

Chena Bhagat, local announcer from Jobat, is taking the COVID Safety session in the village Khndlai.

Kamla Muzalda, rural mobiliser, sends a play card message in the local village WhatsApp group on vaccination awareness.

Volunteer Reena Hatila, with support from AWC meeting, with PRI members and Community Leaders, during the awareness drive.
Awareness camp in all three cities of Satat Shehar is continuously being implemented along with the process of distribution. The key approach adopted for the awareness campaign is IEC material distribution along with the ration kit. At the end of the week in Bhopal, a Vaccination camp was organised in collaboration with the municipal corporation near the Jatkehdhi community. The day-long campaign witnessed a good turnout and more than 400 people were registered and received their first dose of vaccination.

Awareness drive on COVID-19 and Vaccination was flagged off by the Indo-Global Social Service Society in Chokihola, Karbi Anglong in the presence of Dr. Tenzing Engti i/c Block Primary Health Centre, Chokihola and the Assistant Officer-Incharge of the Chokihola Police Station.

IGSSS in the Bodo Territorial Region started its Covid-19 response in Chirang & Kokrajhar district with Dry Ration & Sanitation Kits. A total number of 393 families from 17 locations were covered as of now. Along with distribution, the team also raised awareness on COVID appropriate behaviour and Vaccination.

Psycho-Social Counsellor based at Guwahati had received 22 calls by different people from Assam and Manipur. The major issues of the callers were unemployment, boredom, depression, anxiety and restlessness, Information regarding the vaccine and Covid related enquires,
KASHMIR

It has been seen and analysed in the field areas that people have developed misconceptions regarding the COVID-19 pandemic. Hence continuous efforts are being made by the team to remove these misconceptions and myths from the rural communities. At the same time, people are made aware on COVID appropriate behaviour.
Taskforce volunteers are supporting in managing 11 help desks in South, Northwest, and Northeast Delhi. Through the effective function of the help desk, 200 people got registered for COVID Vaccination. It was facilitated by Taskforce volunteers in three communities and 40 community members got their 1st shot of vaccination. 300 community people got sensitised on appropriate covid behaviour. 40 people have approached for counselling in which the majority of the cases are about distress due to loss of job or unemployment. 40 percent of the cases are about depression/anxiety regarding loss of their family members.
TO WHOME SO EVER IT MAY CONCERN

Sub: Appreciation for donation of Pulse Oximeter.

On Behalf of District Administration, I would like to express my gratitude for Indo Global Social Service Society (IGSSS) for donating 200 Nos. of Pulse Oximeters, which can help us in door to door survey during this COVID-19. Thank You for your necessary support during this pandemic situation.
