OUR EXPERTISE

1. THEMATIC EXCELLENCE

IGSSS has thematic expertise in implementing high impact projects with a focus on agriculture, enterprise development, nutrition security, urban poverty reduction, emergency relief, disaster-resilient infrastructure construction, youth skilling, and climate change adaptation. We have set up many innovative models across India.

2. RURAL AND URBAN COVERAGE

One of our unique strengths is the ability to implement development interventions in villages as well as in cities. We have been working with rural and urban communities to achieve a positive transformation in their quality of life.

3. TRANSPARENCY AND ACCOUNTABILITY

We are proud of our commitment to transparency and accountability that is being followed in letter and spirit. We consider ourselves custodians of resources and have put in an accountability mechanism to ensure that every single rupee is spent as per the commitment.

4. INTEGRATION OF TECHNOLOGY

IGSSS has a digitised project management platform. All our office processes are automated. We encourage the integration of technology in our work with the community.

5. GEOGRAPHICAL OUTREACH

We have outreach across 21 states in India. Since 1961, we are reaching out to the most remote and deprived corners of urban and rural India.
